Minutes of the Aromas
Grange, No. 361, from
Jan. 7, 1933 to Dec. 30, 1936..

January 7, 1933.
 Frank Woodman, our worthy master, opened the Aromas Grange, No. 361, in regular form at our first regular meeting of the new year. This meeting was attended by many visitors from Greenfield, Corral De Tierra, Brundale, Corralitos, and Alisal.

The New Year's Dance committee reported net proceeds of \$64.11. Bro. Della Vedova reported, also, that the Petersen Bros. Inc. had donated eleven pounds of meat for the sandwiches that evening. It was moved, seconded, and carried to send them a letter of thanks.

The Red Cross Committee reported that fourteen boxes had been filled with toys and food and delivered to the needy. Later, meat had been delivered.

The sick committee reported our dear lecturer, Maud Traller, had fallen and broken her hip and was very ill at the Watsonville hospital. The Grange sent flowers and messages of sympathy.

The secretary had acceptance letters from the Alisal and Corralitos Granges stating they would be with us for installation. The letter from the Monterey Bay Grange was referred to the legislative committee.

Bro. Della Vedova explained that the economic committee of the Monterey-Santa Cruz Co. Pomona Grange was to hold a card party sometime in March. The subordinating granges, so desiring, were to hold membership drives in their own

gain in membership is to get the proceeds of this Pomona card-party.

Our treasurer reported that \$50.00 had been paid on our note.

Installation of officers was the main business of the evening.

Bro. Della Vedova, with Sister Eipper assisting, then installed the officers of Alisal, Corralitos, and our own Grange in a manner which brought forth a storm of applause.

It was moved, seconded, and carried to give the Red Cross Committee of Arroyo ten dollars for emergency needs. This amount is taken from the Red Cross fund of the New Year's dance.

Committees appointed:

Old Time Dance: Bros. Addotto, Harris, and Bohnett.

Refreshments, Grange night: Bro. & Sis. Stevens, Sister Eipper.

Pedro Party: Bro. & Sis. Sallows.

Our visiting masters, Denver, Adcock, and Brodin, and visiting brothers Brown, Imlay, and Brennan gave short interesting talks. Our Master and Bro. Della Vedova responded. They all complimented our brother on his excellent presentation of the work.

Aromas Grange Reviews Its History, Accomplishments

Elmer Snyder, Oldest Living Past Master, Tells Of Happenings Within Farm Organization at Home Coming

At a gala "home coming" meeting last Saturday night the Aromas Grange celebrated the final payment of the debt on its hall with an elaborate program, a feature of which was the burning of the note and mortgage which represented the last financial obligation standing against the hall.

A history of the Grange and its activities was read by Elmer Snyder, the oldest living past master. It follows:

Aromas Grange was organized January 13, 1913, by State Organizer Charles F. Collins with 27 charter members as follows: A. J. Cable, Tom Cable, E. E. Seely, Mr. and Mrs. J. B. Hickman, John W. Winter, Fred Sorenson, Mr. and Mrs. H. F. Blohm, Lewis Blood, Chester Chadwell, Mr. and Mrs. W. P. Hitchings, Frank Sproul, Mr. and Mrs. W. B. Jones, Elmer Snyder, H. W. Wiemeyer, Emil Wiemeyer, Dr. J. W. Buehler, Lewis Winter, George Robbins, Miss M. Shaw, Fredericka Blohm, Mrs. A. T. Roso. The first master was H. F. Blohm. In 1914 W. B. Jones was elected master and served until he sold his ranch in September, 1914. Earl Robbins was elected and finished the year. Of these charter members only Elmer Snyder, Ed Seely, Mrs. W. P. Hitchings, John Winters, and Mrs. Hickman are left and still are members.

On February 24, 1916, the Aromas Grange was reorganized with Elmer Snyder as master and he served two years. The members of the new Grange were as follows: J. E. Nason, Mr. and Mrs. P. J. Bryant, Mr. and Mrs. Kaster, Mr. Meyers, W. A. Canse, Mr. and Mrs. W. P. Hitchings, Mr. and Mrs. H. F. Blohm, Mr. and Mrs. J. B. Hickman, J. E. Bucker, Mary, Murdock, and William Nicholson, Mr. and Mrs. Enos Bohnett, Elmer and Neelie Snyder, Mrs. Mae Chadwell, Ed Seely, Mrs. J. E. Winter. Nine of this group have passed away.

In 1918 P. J. Bryant was master; 1919-20, W. P. Eipper; 1921-22, Murdock Nicholson; in 1923, Frank Proctor served until June and Enos Bohnett was elected as master. In 1924, Bohnett was re-elected; 1925-26, Karl Klaueman; 1927, W. T. Eipper; 1928, Frank Della Vedova; 1929, Lulu C. Eipper; 1930-31, Frank Della Vedova; 1932-33, Frank Woodman, and in 1934, Rhea Fletcher, the youngest master in the state.

GREW STEADILY

After the Grange was reorganized it made a steady growth until the old meeting place, the Yoeman's hall, seemed inadequate, and in the summer of 1921 some thought was given to the idea of a new hall. About ten Grange brothers met at the home of E. C. McDairmid to discuss the project. On August 20 of the same year we voted to build a hall and before the next meeting our late Brother, H. F. Blohm, had secured an option on this lot 150 x 150 feet, and had given his personal check for the same. In about one week \$800 had been subscribed by members and the lot was bought from Frank Leigh, the deed to stand in name of the executive committee. Legal advice was given, gratis, by J. E. Gardner in regard to loans, etc. Teams and Fresno scrapers and manpower went to work hauling gravel, and leveling the ground. This work was all donated. Members were asked to bring in plans for building and only one, that of the late Clara Blohm, was presented. It was accepted and under the leadership of Elmer Snyder, John Winter, and George Booth actual work was started. November 8, 1921, the foundation was laid. Some gave work and money, others only money. As the Homer T. Hayward company gave the lowest bid on lumber their bid was accepted for \$1758.86. The mill and cabinet work was given to C. A. Buckingham for \$275.

Upon a note signed by the executive committee and members, \$2000 was borrowed from the Fruit Growers bank and about \$2000 stock made up by members. The total cost of the hall was about \$6000. In December, 1926, \$2300 was borrowed at the Fruit Growers bank and the members were given checks (principal and interest) for their common and preferred stock and labor.

The first meeting in the hall was on August 19, 1922. Dedication services, with State Master George Harrison as master of ceremonies, was held with an attendance of 250.

Some of the ways money was raised to pay for the hall, were as follows: At a bazaar and dance in November, 1922, through the co-operation of the Watsonville merchants and our local stores, who donated many things for our country store, wheel of fortune, etc., the sum of \$300 was realized. We gave dances, card parties and rented the hall for various occasions. In 1930, the sum of \$1243.62 was taken in for dances. In 1931, \$551.06 was taken in from dances. A report from the records shows that in January, 1932, the debt had been reduced to \$300. In February, 1934, Treasurer Lulu Eipper surprised us all by announcing the note had been paid and that the hall was now our very own.

GRANGE ACCOMPLISHMENTS

When Aromas needed street lights the Grange started the ball rolling and through the co-operation of Supervisor Sterling the lights were put in. For a number of years the Grange sponsored recreation grounds, barbecue pits, bath houses, rest rooms at the river for swimming, picnicking, etc. We did our bit for the Y.M.C.A. during the war by sending boxes to the boys in France, by buying Liberty bonds, war savings stamps and collecting war chest funds.

On January 19, 1918, a committee from the Aromas Grange headed by the late P. J. Bryant and Murdock Nicholson was successful in getting our present farm bureau organized with 29 charter members. We worked for years for a new depot and have our present building, which was moved here. We secured a branch library, and had the name of the district changed from Vega to Aromas. At a hearing in regard to closing the depot in 1932, a committee represented by J. E. Gardner was successful in having the depot stay open from May to October.

In 1932 committees from the Grange with the late Mrs. W. L. Traller as chairman, in co-operation

with the farm center, formed a Red Cross branch and gave aid to about 30 local families with Christmas baskets, clothing, etc. This is still active.

Members worked on the foundation of the school and several days the women served lunches to workers.

We are not selfish with our hall, as it is donated to many community affairs, such as graduation exercises, church bazaars, fruit growers' mass meetings and 4-H club achievement exercises.

GIFTS ACKNOWLEDGED

Records of the Grange show that many gifts have been made during the years since the Grange was organized and the building erected. Among them are the following:

The Granite Rock company gave 48 tons of rock for the parking space; W. H. Weeks, architect, gave \$25 toward the building and paid for sanding the floor; the family of the late Mr. and Mrs. H. F. Blohm presented the master's table; Mr. and Mrs. D. W. Swearingen gave a set of 100 dishes. The Bible was presented by Mother Proctor; Mrs. F. L. Proctor gave curtains for the dining hall; C. F. Buckingham donated the altar.

Charles Faes made and donated fireplace accessories. Attorney John E. Gardner was generous with legal advice. A set of Fuller brushes was presented by Mr. and Mrs. D. A. Fenwick.

The Aromas Grange feels proud of its accomplishments. Its members have enjoyed many week-end trips and picnics together. Its hall is always open on Thanksgiving day for those who care to share their dinners, many times inviting in motherless children.

The members of the Grange feel able to carry on with a young and enthusiastic master, a live economics committee and an excellent drill team of men and women under the competent direction of the drill master, M. N. Grable.

At the close of 1933 the Aromas Grange had a membership of 129 and an average attendance at its meetings of 62. Fifty-eight of these members are holders of Grange fire insurance policies.

On the evening of June 18th the Grangers of Santa Clara, San Benito, Santa Cruz, San Luis Obispo and Monterey Counties gathered at the Aromas Grange Hall to receive the National Master Louis J. Taber. He was accompanied by State Master Geo. Schlmeier and H. Barnes of the St. Ex. Com.

The visiting officers were seated on the platform and introduced to the 600 Grangers assembled.

In his message the National Master urged organization. Stating that the strength ^{power} of the order was in the subordinate granges and their individual members. Grange meetings should be full of information and inspiration.

The Aromas Grange presented the National Master with a gold locket and chain.

After a short programme the meeting adjourned and coffee and sandwiches were served.

Grangers Honor Chieftain At Aromas; Tells Remedy For Farm Economy Ills

Sehlmeyer Scores Merriam And Legislature For Acts

Louis J. Taber, national Grange master, in an address extraordinary last night before the Aromas Grange, diagnosed American farm and fireside ills and prescribed a recovery remedy based on "organization."

His sound logic, his broad reasoning and his sparkling humor played active parts in the word drama he enacted before more than 600 Grange members and officers who assembled from all northern California to greet him at Aromas.

Taber was presented by George Sehlmeyer, state master, who was among the noted guests at the affair. Frank Della Vedova, Monterey Pomona master, officiated at the ceremonies, being assisted ably by M. N. Grable, Aromas Grange official.

AT CROSSROADS

Declaring that western civilization is at a crossroads, one far more precarious than any since Rome fell, Taber attributed the condition to undermining elements, chief of which is the machine. Farm machinery, he said, not only has lessened the burden of work, but it has multiplied productive power and has led to vast accumulations of wealth. The surplus created by the machine, he said, has lent to poverty and misery, both of which may be primarily relieved by the modern belief in Christianity and the practice of democracy.

At this junction the speaker hurled a broad challenge to the Grangers to do their part in making man master over the machine, reversing the order of machine mastering man—the element which he claimed has led directly to depression.

By improved breed, improved seed and improved machine equipment, the speaker asserted production has been swelled so tremendously that distribution has become maladjusted.

HAS REMEDIES

To right this condition, he asserted the Grange must work to:

1. Lift prices on farm commodities;
2. Provide an American market for all American products; and,
3. Insist that the United States provide an honest dollar, valued at 100 cents. This dollar, Taber said, must have the same value to earn, to sell and to pay debts, and it can be accomplished only through revaluing the gold now held in the government treasury. He spoke of this as "controlled reflation."

In further discussing remedies to existing deficiencies, the National Grange master declared it imperative that service charges to the farmer be reduced and that the

that it is not the national, state nor Pomona officer who packs the responsibility, but the individual Grange members and units. He urged each to resolve to better citizenship and larger membership, the key to the knotty problems of "getting things done" in Sacramento, in Washington.

Taber's talk was direct, to the point, and yet he injected enough wit to keep the attention of his entire audience.

RAPS LEGISLATURE

Sehlmeyer spoke only briefly, saying that the session of the legislature just adjourned not only shattered every existing legislative record in the state, but that it also failed to accomplish more than any other.

Sehlmeyer struck a blow at Governor Frank Merriam when he declared "the man we elected on an economy platform has established the greatest budget and has levied the most taxes in the history of California."

Sehlmeyer assailed the enactment of the bill which will transfer automobile property taxes to the state from the counties and cities, and he lauded the solons who fought for enactment of the farm mortgage moratorium bill which awaits the governor's signature.

At the conclusion of the talks Taber was presented with a fine remembrance from the Aromas Grange, a watch chain and locket handsomely engraved.

After the rituals which were especially attractive, the Grangers adjourned and a pot-luck supper was enjoyed. Several entertaining numbers were presented under the direction of the worthy lecturer of the Aromas Grange.

Constable Tom Skillicorn and Patrolmen Frank Gruver and L. Williams directed the parking of the 250 automobiles that brought the Grangers to the meeting.

former under the gambling laws of 1877. Under this law, the informer receives one-half the penalties and he said the company received 200 chain telegrams at Camden, and 100 daily for three weeks. "For each of the above mentioned lotteries the plaintiff (said West-Union) became liable for \$2000.

State Grange Master Visits Aromas Session

Fifth and sixth degrees of the Grange were received by 86 Grangers of Santa Clara, Monterey and Santa Cruz counties in a big regional meeting Monday evening at the Aromas Grange at which were present State Grange Master George Schlmeyer and 16 state officers.

The fifth degree was put on by the Santa Clara County Pomona Grange while the sixth was given by the state officers as is customary. The ritual was impressive and was witnessed by more than 200 persons from Granges in the three counties.

The state master and the other officers have been on a tour of the state.

The meeting was opened by Frank Della Vedova of Aromas, Monterey County Pomona Grange master, and then he presented the state officers, all of whom had been seated in ceremony to the accompaniment of music. The fifth degree is known as the degree of Pomona and the sixth is the degree of Flora.

Following the degrees all present enjoyed a Pomona feast of coffee, sandwiches and apples and grapes.

The hall was appropriately decorated with autumn colors and the tables for the harvest feast were laden with fruits of all kinds.

It was reported by the state master that there were 49 new Granges organized this year and more under way and that there are over 23,000 Grange members in California at present, which means that the membership has tripled in the last four years.

Grange Officers
Confer Degrees
At Aromas Hall

It being impossible to confer the higher degrees upon the thousands of subordinate grange members wishing them, at the conventions of the state and national granges to convene in Sacramento November 12-21, the plan has been carried out to have the officers of the California state grange, to meet with grangers throughout the state and confer the sixth degree, so that the seventh, or national grange degree may be conferred at the 69th annual convention at Sacramento on Friday, November 15.

On Monday evening, October 14, one of these meetings was held at Aromas, and the fifth and sixth degrees were conferred on 26 candidates from Santa Clara, Monterey and Santa Cruz counties.

The Santa Clara county Pomona degree team, under the direction of Mrs. Annie Gerrells, district deputy, conferred the fifth or Pomona degree on a large class of candidates, from these three counties. The fifth degree was given by this well drilled Pomona team in an exceptionally impressive manner, after which the feast of Pomona, provided by Aromas grange was greatly enjoyed.

The sixth degree was also given to a large class, beautifully done by the officers of the state grange. Later, interesting remarks were made by the state master, and other members of the state grange. It was reported that 43 new granges had been organized the past year, and that California now has 23,000 grange members.
